## Dear Supporter,

2026

You are cordially invited to become a sponsor of the **10th Annual Heart in Diabetes (HiD)**.

The meeting will take place **June 19–21, 2026, in Philadelphia, PA**, and will feature a **CME program combining a live, in-person event with a webinar component, followed by 90 days on-demand access**.

The HiD CME program is a unique medical conference designed to evaluate the clinical science of **diabetes, obesity, and cardiovascular disease**, with a focus on heart and kidney complications in diabetes. Its goal is to develop comprehensive clinical management plans, aligning endocrinologists, cardiologists, nephrologists, and other clinicians in understanding the impact of diabetes and cardiovascular outcome trials on the care of high-risk patients.

This meeting brings together **world-renowned clinical leaders** and practicing clinicians to improve patient care for those at high risk of cardiovascular, metabolic, and kidney diseases. The educational initiative is intended for **endocrinologists, cardiologists, diabetologists, nephrologists, internists, family physicians, nurse practitioners, physician assistants**, and other healthcare professionals interested in the prevention and treatment of diabetes, obesity, cardiovascular disease, and related conditions.

We invite you to take advantage of these exciting sponsorship opportunities. For more information, specific company needs, or any questions, please contact **Nava Mekel** at **818-342-1889** or [nava@tmioa.com](mailto:nava@tmioa.com).

We hope to see you at the **10th HiD this June in Philadelphia!**

# SUPPORT LEVEL

Metabolic Endocrine Education Foundation (MEEF) is offering the following level of support for the 10th Heart in diabetes 2025

With each sponsorship, HiD will provide the following:

Complimentary registrations and entrance to the Congress' 3-day meeting.

With each sponsorship, depends on level.

Tickets to the Congress' major dinner event to accept special recognition and acknowledgement.

With each sponsorship, depends on level.

	<b>RUBY</b>	<b>\$150K &amp; UP</b>

	<b>OPAL</b>	<b>\$75K &amp; UP</b>
	<b>EMERALD</b>	<b>\$50K &amp; UP</b>
	<b>TOPAZ</b>	<b>\$25K &amp; UP</b>

## ABOUT MEEF

The Metabolic Endocrine Education Foundation (MEEF), is a leading national foundation devoted to improving patients and public health through education. MEEF, a nonprofit organization (USA - 501 ©3), sponsors research educational activities for professional health providers, patients and the community at large. For more than a decade, the Metabolic Endocrine Education Foundation has developed multiple live educational programs for researchers, physicians, and other healthcare professionals in metabolic conditions, including obesity, cardiometabolic syndrome, diabetes, and cardiovascular disease. Its distinctive flagship program, the World Congress on Insulin Resistance, Diabetes & Cardiovascular Disease (WCIRDC), has become one of the foremost meetings in the world where endocrinologists, cardiologists, researchers and other healthcare professionals meet and discuss the latest developments in both basic and clinical sciences. The sister meeting—The annual Heart in Diabetes (HiD) entering its ninth year this congress convenes experts and practicing clinicians in a one-of-a-kind scientific meeting to share knowledge and best practices for managing patients with cardiometabolic disorders, while exploring the intersection where the Heart, Kidney, and Diabetes Meet in Clinical Practice.
